

Discover from Insiders the Ugly Hypocrisy in the Government's "War on Drugs."

Learn from dozens of government agents and deep-cover operatives the harm being inflicted upon tens of thousands of men and women, and their families, by corrupt people occupying key positions in government. These two books provide an unprecedented insight into the world of government intrigue known by very few people. Learn how the United States is being defrauded from within, and learn how to avoid the personal and financial harm inflicted upon so many others. Discover, for instance, evidence proving:

- Decades of drug smuggling into the United States by agents and officials of the CIA and other government agencies.
- Decades of coverups and obstruction of justice by people in control of the Justice Department and other government agencies, including members of Congress and federal judges.
- Armies of prosecutors, government agents and government informants, making false charges that result in long prison sentences for America's men and women.
- Seizures of people's life assets without any charges being filed.
- Government corruption that forces people and companies into bankruptcy and the looting of their life's assets.
- Trojan-horse-like pattern of harm inflicted upon unsuspecting Americans, covered up by America's "leaders."
- Discover the roots of America's eventual downfall.
- What these crimes mean to all Americans.
- And much more.

This is an unprecedented opportunity to learn from dozens of courageous insiders what is really being done to the men, women, and families in the United States. Ignore these matters at your own risk.
