Blowback, 9/11, and Cover-ups. *Iraq, Lies, Cover-ups, and Consequences*
Terrorism Against America *Subverting America* (two volumes)
Lawyers and Judges—American Trojan Horses

“College education” on 50 years of government intrigue in the three branches of government, as revealed by former government agents, former drug smugglers (under orders of CIA). Authored by a former key government aviation safety agent, Rodney Stich.

Sample of some of the subjects covered, as revealed by people who were part of the operation or who discovered them as part of their official duties, include: CIA drug smuggling and complicity of people in other government offices; October Surprise; Operation Tailwind; widespread corruption in the federal courts and especially the bankruptcy courts; series of airline disasters enabled to occur by corruption in the government’s aviation safety offices—including the 9/11 hijackings; secret funding and arming of Iran and Iraq; CIA funding of secret bank accounts for several well-known politicians; untold secrets of Iran-Contra; sham prosecutions against thousands of innocent people.

Discover the areas of primary blame for the 9/11 hijackings and how this information has been kept from the people by every government check and balance and media people.
