

Half Century of Government Intrigue, Including 9/11 and Iraq, Detailed by Group of Former Government Agents

For a better understanding of current events gravely affecting the lives of all Americans, a group of former government agents, former drug smugglers, former Mafia figures, present an unprecedented collection of insider reports. Sampling of the contents in the print and E-book, written by and with the input from many government insiders, is show here:

Print and E-books

Defrauding America: October Surprise; CIA looting of financial institutions; CIA drug smuggling; secret arming of Iran and Iraq; CIA funding of secret bank accounts for politicians and media personnel; murders, mysterious deaths, and retaliation against whistleblowers.

Drugging America: Drug smuggling by CIA; tactics used by army of government agents and informants to file sham drug charges against innocent people; cover-up by virtually every government and non-government check and balance, and much more.

Unfriendly Skies: Deep-seated culture and misconduct in government safety offices responsible for decades of prior preventable aviation disasters.

E-books

(all of above, and the following)

Iraq, Blowback, Lies and Cover-Ups: Secret funding and arming of Iraq during the 1980s; serial lying preceding invasion of Iraq; massive cover-ups and disinformation by many media personnel—some on the CIA payroll; cover-ups by members of congress; and much more.

9/11, Blowback and Cover-Ups: People holding *primary blame* for the conditions enabling terrorists to hijack four airliners, on 9/11—the cover-up by the 9/11 commission—and decades of prior aviation disasters.
