

History of Blowback Consequences for Americans from Corruption in Government Offices, Corrupt Politicians

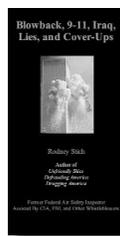

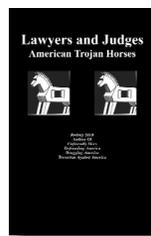

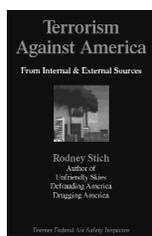

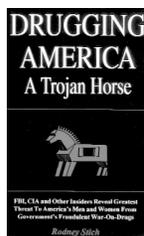

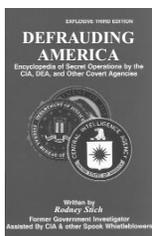

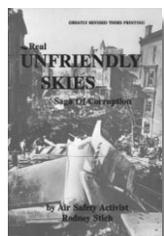

A group of dedicated former government agents reveal deep-seated misconduct in the three branches of government that they discovered as part of their official duties. Discover why the catastrophic events of 9-11 were only one-day's consequences in only one of the areas affected by this culture of deception, corruption, and even criminal misconduct. Discover the coverups and deception by certain media personnel that allows this deadly culture to continue.

Discover other areas of misconduct and the catastrophic blowback consequences, including, for instance, the arrogant and corrupt war on drugs that put thousands of men and women in prison; massive corruption in the courts; secret White House funding of Iraq's WMD buildup; subversion of foreign governments; CIA involvement in drug smuggling and various financial crimes; and the coverups that keeps this misconduct from the people.

Discover why terrorism against America is spreading and why the deadly consequences will escalate. Discover the facts necessary to understand the deception foisted upon the people and for the evidence for true patriots to fight this Trojan horse subversion of America.

Sample of letters sent by readers of the books revealing these matters:

- ◆ "I thought it (*Drugging America*) was the most powerful book I ever read,"
- ◆ "Take some comfort in knowing that, but for men like you, I would likely not have had the courage to proceed. To me, you are one of the good guys, a real American hero."
- ◆ "Undoubtedly you're a saint sent to us in writer's clothes. Keep up the excellent work. You're a writer with an attitude, and I like that. Not to mention your courage to speak up in a world of silence. Everyone loves your courageous writing style. *Drugging America* was the most important book I ever read."
- ◆ "I am reading your book, *Defrauding America*, and I love it! The documentation is great."
- ◆ "We want to compliment you on the research you have done with *Drugging America*. Beside the quality of writing, the printing by your press is excellent. I thought the way you laid out your work graphically was outstanding."
- ◆ "I want to thank you, Sir, for sticking your patriotic neck out in exposing all of the bullshit that is killing our nation like a fatal cancer."
- ◆ "There are rare occasions in my life when truly heroic men inspire gratitude in my heart and a pride in being human. ... As for our good Mr. Stich, courage and truth are your middle names. You deserve the gratitude of your countrymen."
- ◆ "You cared enough for your country and fellow citizens to spend the time, energy, and money to write this book. You also did all this at the risk of your life. Thank you! Some day when this nation is re-gathered in some other age under some other control, you will be publicly recognized for your excellent work."
- ◆ "I have just finished reading your courageous book, '*Defrauding America*,' and wish to thank you for having the character and moral strength to write such a book, as I am well aware of the perils involved."
- ◆ "I found it very hard to put this book down."
