

# Unprecedented Opportunity To Use Insider Information To Fight the Government's Arrogant and Corrupt War On Drugs

Revealed by CIA, FBI and other government agents

## *Drugging America-A Trojan Horse*

### Discover:

- How thousands of men and women-like you-end up with long prison sentences on fabricated, overblown, or over-punished drug charges by an army of government agents, informants, and prosecutors.
- How easy it is to be set up on drug charges and sentenced to prison, without being involved in drugs.
- How to reduce your chances of being a victim on fabricated drug charges or grossly inappropriate prison sentences.
- How Americans are being duped in the government's arrogant and fraudulent "war-on-drugs".
- The truth about drug smuggling by CIA, DEA, and military personnel-in collaboration with foreign drug lords and domestic crime groups.
- The years of cover-ups by members of Congress, Justice Department personnel, federal judges, and most of the broadcast and print media-with tragic consequences.
- How drug money goes to both political parties, giving Democrats and Republicans another reason to continue the status quo charade.
- The role played by FBI and other Justice Department personnel, members of Congress, and federal judges, in aiding and abetting these criminal activities.
- Discover similar drug involvement between government personnel in Mexico and their counterparts in the United States.

Actual stories of people operating secret CIA airlines and financial operations, pilots flying drugs for the CIA, some of whom were house guests of Colombian drug lords.

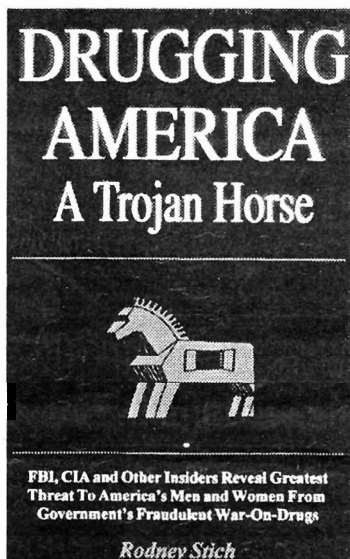

- Learn how Justice Department personnel protect major drug groups-while simultaneously prosecuting men and women who are either innocent of the charges or guilty of relatively minor offenses.
- Learn what you can do to repeal mandatory minimum sentences, to bring about the release of many men and women in prison who have been wrongly accused, or sentenced to outrageously disproportionate prison sentences, and how you can help expose and bring to justice the real criminals in the drug business: people in control of our own government.
- No conspiracy theories: just the facts, as revealed by dozens of insiders.
- Written by former federal investigator and crusader against corrupt government, Rodney Stich, author of three editions of *Defrauding America* and *Unfriendly Skies*. Guest on over 3000 radio-TV shows worldwide since 1978, assisted by several dozen other insiders.
- The two prior books were **considered for television series.**
