

# VERY URGENT

## Now, More Than Ever, is the Need for Thinking Americans to Understand the Intrigue in Covert Government Operations

Now, more than ever, concerned Americans must learn about the unpublicized intrigue in government offices and covert government operations that constitute a greater threat and harm to Americans than terrorists. Read about the alarming revelations by former agents of the FBI, DEA, CIA, Customs, Secret Service, and FAA, and former drug smugglers and Mafia figures working with government officials.

These are facts, not conspiracy theories. They reveal the pattern of Trojan horse misconduct and cover-ups that continue to inflict great harm upon the American people and upon national security. Discover, for instance, the:

- Arrogant and corrupt war on drugs that imprisons thousands of Americans.
- Corruption in the federal courts, including the bankruptcy courts.
- Subversion of elections through October Surprise, through lies, and through cover-ups.
- Criminal activities by Justice Department personnel.
- Secret arming and funding of Iraq by White House politicians.
- Retaliation against former government agents who expose corruption in government.
- Area of primary blame for the successful hijackings of four airliners on 9/11, and the tactics to keep this information from the public.
- False charges and imprisonment of innocent people.
- And much more.
