

Sampling of E-Mail Excerpts of Former FAA Principal Inspector
Mary Diefenderfer to Former FAA Air Carrier Operations Inspector Rodney
Stich, June 13, 2000

Hi Rodney, I am SO glad to hear from you. I am reading your book. It's amazing that after 40 years, the story remains the same. You could substitute the names at UAL and the FAA and have my story.

I found falsification of pilot training records, check airmen not getting the proper training, LOFT being cut short by hours when the FAA was not present, and on and on.

Great book, but too real to me. I wonder if it will ever change.
