

Documentary on Misconduct Responsible for Half Century of Unprecedented Harm Upon Americans and National Security

Written by former government agent Rodney Stich, assisted by dozens of insiders

These books are a literal “college” course on intrigue and corruption showing the relationship between the culture of corruption responsible for multiple tragedies suffered by individuals, groups, and the nation.

◆ *Crimes of the FBI-DOJ, and the Mafia.* Details a half century of such matters as (a) criminal acts by FBI agents, including murder of American citizens; (b) Mafia soldier acting as mole in an al Qaeda cell; (c) advance information obtain by that mole, given to the FBI, included the planned downing of a U.S. airliners (shortly before the downing of TWA Flight 800); the bombings of U.S. Embassies in Africa (shortly before they were bombed); and the hijacking of four airliners (prior to the occurrences on 9/11); (d) the refusal of high FBI-DOJ officials to act on the information to protect high DOJ officials—and the consequences; (e) the cover-ups by members of Congress and the 9/11 Commission; (g) and much more.

◆ *Unfriendly Skies: 20th and 21st Centuries (4th editions).* Secrets behind a half century of preventable airline disasters and deaths, including 9/11. Written by a former key government aviation safety inspector-investigator. Debunks the conspiracy theories.

◆ *Congress and Other Cesspools.* This book compliments the prior one, describing the years of corruption involving members of Congress, financial institutions, lobbyists, Department of Justice, and the cover-ups by media people.

◆ *Defrauding America (4th ed. Vol. One and Vol. Two)* Government insiders detail decades of various forms of corruption involving people in the various government offices and covert operations. The same culture that is seen in each of the other books was a common issue. CIA secret funding of bank accounts for several well-known politicians and judges; the story of CIA airlines, and much more.

◆ *Drugging America (2nd Edition).* Details the arrogant and corrupt war on drugs, the tactics used to charge innocent people with drug offenses, drug smuggling by people in and associated with the CIA, and the involvement of the military and other government personnel. Based partly upon insider information from government agents and former drug smugglers.

◆ *America's Housing and Financial Frauds.* Details and documents the widespread arrogance and corruption that has brought down upon the American people the greatest housing, financial, and credit debacles since the depression of the 1930. Details the three phases: corruption prior to 2008; the financial meltdown; and the subsequent obstructions to change.

Other books by the same author, Rodney Stich, and his group of insiders, includes:

- **Terrorism Against America—Internal and External Sources.** Chronology of terrorist attacks upon U.S. aviation and other interests, by foreign terrorists, and by “terrorists” within the United States.
- **Lawyers and Judges—American Trojan Horse.** Former government agent details a half-century of misconduct by lawyers and judges with specific examples of how their actions continue to great harm upon the American people and the United States.
- **Subverting America (Vol. One and Vol. Two)** Insiders describe the literal Trojan Horse corruption in the three branches of government that meet the definition of subversive activities, and the felony cover-ups by virtually every government check and balance and many media people.
- **David vs. Goliath: 9/11 and other Tragedies.** Details the sequence of events that the author, Rodney Stich, encountered in attempting to expose the corruption in various government offices. Also an autobiography.
- **Explosive Secrets of Covert CIA Companies.** The true story of several secret CIA companies as told to the author by the former heads of these companies. Funding of secret bank accounts for several well-known politicians, drug operations, hiding funds for foreign dictators, and much more.
- **FBI, CIA, the Mob, and Treachery.** The true story of a former FBI agent and war hero sentenced to a long prison sentence on false charges to cover up for FBI and CIA corruption.
- **Blowback, 9/11, and Cover-Ups.** The details of the corrupt activities that enabled four groups of terrorists to so easily hijack four airliners, kill nearly 3,000 people, and precipitate two unwinnable wars.
- **Iraq, Lies, Cover-Ups, and Consequences.** Details how White House politicians and their skills engaged in obvious serial lying to obtain public approval to invade two nations and start calamities that included over a million deaths.
- **Disavow.** The story of a covert CIA operation based in Honolulu, and what happened after a Honolulu reporter blew the cover on the operation in the mid 1980s. The operation received worldwide publicity, except in the United States where media skills kept the information from the people.
- **Those Ugly Americans: 20th & 21st Centuries.** Describes those people in an out of government whose arrogance and corruption continue to inflict grave harm upon the people of the United States and throughout the world.
